SECTION 1:

Information about the policy

1.1 Make sure the policy meets your needs!

- Executive Income Protection is a regular premium protection policy. The purpose is to provide a regular income if the Life Assured is unable to work due to disability and suffers a loss of earnings as a result.

Disability means that the Life Assured is totally unable, due to illness or injury, to perform the essential duties of his/her normal occupation and is not engaging in any other paid work.

Full details of this disability definition are contained in the Policy Conditions booklet.

- The Income Protection Benefits become payable when the Life Assured has been continuously absent from work for a certain period of time, known as the deferred period, and a claim has been admitted by Royal London.
- Payment of the Income Protection Benefit will cease on the earliest of:
 - the Life Assured returning to work,
 - you or the Life Assured failing to comply with

reasonable requests to cooperate with claims assessment requirements,

- the Life Assured having been deemed medically fit to return to their normal occupation,
- the Life Assured failing to follow medical advice that would otherwise reasonably allow a return to work,
- the policy expiry date,
- the Life Assured dying.
- the termination, suspension or expiry of the Life Assured's employment contract.

The policy is designed solely to provide protection benefits. It is not designed to provide an Income Protection Benefit in the event of death or if the Life Assured is unable to work as a result of becoming unemployed.

- If more than one deferred period applies to this policy, then each deferred period will apply before the relevant Income Protection Benefit becomes payable.
- There are maximum limits applying to the Income Protection Benefit payable if you make a claim.

- The maximum value applying if you make a claim is the lowest of:
 - the agreed amount of Income Protection Benefit as shown in the Policy Schedule,
 - €250,000 per annum; and
 - an amount equal to 75% of earnings before disability plus, where applicable, pension contributions subject to a maximum value, less any other income the Life Assured receives whilst absent from work, such as sick pay or state illness benefit.
- In the event that a reduced benefit applies, Royal London will not refund any part of the payments you have made. Full details relating to the maximum amount of Income Protection Benefit that will be paid if you make a claim are contained in the Policy Conditions booklet.
- If you have chosen indexation, the cover or amount in payment (as appropriate) will automatically increase by 3% every year and the premium will also automatically increase by 3.5% every year. The indexation will occur on each policy anniversary. Full details of indexation are contained in the Policy Conditions booklet.

Additional Policy Features

- The policy includes a Guaranteed Insurability Option which, subject to certain conditions, gives the option to increase the Income Protection Benefit amount by up to 20% of the initial Income Protection Benefit amount every 3 years, up to a maximum total increase of 100% of the original amount. Full details of the Guaranteed Insurability Option are contained in the Policy Conditions booklet.
- The policy includes a Hospital Cash Benefit. This is payable for every day the Life Assured spends in hospital after 7 days during the deferred period, up to a maximum of 90 days per claim. The benefit must be claimed within 6 months of the date of hospitalisation. The benefit will not be paid for more than 365 days in total during the lifetime of the policy. Full details of the Hospital Cash Benefit are contained in the Policy Conditions booklet.
- The policy includes a Back to Work Benefit which provides additional financial support for the first 3 months after the Life Assured returns to full-time work having been in receipt of an Income Protection Benefit for at least 1 year. The Back to Work Benefit may be claimed only once during the lifetime of the policy. Full details of the Back to Work Benefit are contained in the Policy Conditions booklet.
- The policy includes an Essential Activities Benefit. If the Life Assured is not working full-time as a result of a documented agreement between you, the employer, as owner of the policy and the Life Assured in respect of any of the following changes to employment status:
 - career break,
 - extended maternity or paternity leave (beyond any statutory period)
 - becoming a (permanent) carer, or
 - working on a part-time basis (i.e. less than 16 hours per week),
- the Essential Activities Benefit may be claimed if the Life Assured is suffering from incapacity. The benefit amount is the lower of €15,000 a year and the Income Protection Benefit amount stated on your Policy Schedule.
- Incapacity means that the Life Assured is unable to independently carry out, even with appropriate aids and/or assistive devices, at least three Individual Personal Activity Criteria or meet one of the Severe Personal Criteria as set out in Section 3.4 of the Policy Conditions booklet.
- While in receipt of an Income Protection Benefit, no premium is payable for that benefit. If more than one deferred period applies to the policy, you will need to pay premiums for any benefit not in payment. Premiums remain payable while a Hospital Cash Benefit or Back to Work Benefit is being paid.
- If the Life Assured has a terminal illness and is diagnosed with less than 12 months to live, the deferred period will be waived and the relevant Income Protection Benefit payments will start immediately. Full details of this terminal illness cover are contained in the Policy Conditions booklet
- If following a period of disability during which an Income Protection Benefit has been paid, the Life Assured is only able to return to work on reduced earnings as a result of the disability, a proportionate Income Protection Benefit may be payable to help make up some of those lost earnings. Full details of the proportionate Income Protection Benefit are contained in the Policy Conditions booklet.

General Exclusions that apply to the policy

- In addition to any additional exclusions that may be outlined in the Policy Schedule (such as exclusions for hazardous leisure activities or existing medical conditions which are disclosed during the application stage), the following exclusions apply to the policy:

No Benefit will be paid, and any benefit in payment will cease, if disability or incapacity arises as a result of or is aggravated by one or more of the following:

- War, invasion, hostilities (whether war is declared or not), civil war, rebellion, revolution or taking part in a riot or civil commotion,
- Intentional self-inflicted injury, the influence of alcohol or drugs (other than drugs taken as prescribed by a Registered Medical Practitioner), or failure to follow medical advice relevant to the disability or incapacity,
- Participation in a criminal act.

If a claim arises while the Life Assured is residing or travelling outside of Ireland or the United Kingdom and is admitted by Royal London, then the Income Protection Benefit will only be payable for a maximum of 13 weeks in any 12 month period or for 39 weeks in total over the lifetime of the policy.

No Benefit will be payable during any period when the Life Assured is remanded in custody or receives a custodial sentence. If the Life Assured is not convicted of an offence following being remanded in custody, we will retrospectively pay any benefit payable during this time.

Your commitment under the policy

- You are committed to make regular monthly or annual payments throughout the term of the policy. However, please see Sections 4.1 – Right of Cancellation and 4.2 – Stopping the Policy.
- Monthly payments must be paid by Direct Debit.
- Unless you are fully satisfied as to the nature of the commitment, having regard to your needs, resources and circumstances, you should not enter into that commitment.
- This policy cannot be assigned.
- Ownership of the policy, including responsibility for payment of the premiums, may not be transferred to the Life Assured or any new or other employer of the Life Assured.

WARNING – If you propose to take out this policy in complete or partial replacement of an existing policy, please take special care to satisfy yourself that this policy meets your needs. In particular, please make sure that you are aware of the financial consequences of replacing your existing policy. If you are in doubt about this please contact your insurer or insurance intermediary.

1.2 What happens if you want to cash in the Policy early or stop paying premiums?

The premiums you pay at the start of the policy are guaranteed to provide the level of cover you select as long as your chosen benefits remain the same.

If indexation has been chosen, your premiums will be increased every year to reflect the cost of the increased cover.

If you increase your benefit using the Guaranteed Insurability Option, your premiums will be increased to reflect the cost of the increased cover.

The total payment may change if there is a change to the Government Levy, or if any additional tax, stamp duty or levy is imposed on your policy in the future.

1.6 Can the policy be cancelled or amended by the insurer?

The policy will be cancelled and come to an end, if:

1. you stop paying premiums,
2. you fail to provide full and accurate information at the application stage, or

4. the Life Assured dies.

If you are in any doubt about whether certain facts are material, these facts should be disclosed.

If the date of birth of a Life Assured differs from that shown on the policy schedule, the amount payable in the event of a claim may be reduced or the claim may be rejected and the policy cancelled from inception.

We can also make changes to the policy which are as a result of legal, regulatory or tax changes or to rectify an error in the policy conditions. We may also introduce a change that won't adversely affect you, such as introduce a new feature or service which is to your benefit.
