

KEY FEATURES

of Mortgage Protection Assurance & Mortgage Protection Assurance with Accelerated Specified Serious Illness Cover

Customer Guide

SECTION 1:

Information about the policy

1.1 Make sure the policy meets your needs!

- This policy is a life assurance protection policy. You choose the level of cover you need and the length of time you need it.
- The purpose of the Life Cover is to provide a lump sum if a Life Assured dies during the selected term of the policy. The level of cover decreases monthly in line with a repayment mortgage based on the interest rate you have chosen at the outset of the policy. The Life Cover is designed to repay the mortgage amount outstanding at the time of death provided all mortgage repayments are made when they fall due and the interest rate applicable to your mortgage does not rise above the rate assumed.
- If Accelerated Specified Serious Illness Cover is included as part of your policy, its purpose is to provide a lump sum if a Life Assured is diagnosed during the selected term of the policy as having one of the insured specified serious illnesses as defined in the Policy Conditions booklet. If one or more of those illnesses has been excluded from the cover, this will be outlined in the Policy Schedule. No other illnesses are covered. The level of cover decreases monthly in line with a repayment mortgage based on the interest rate you have chosen at the outset of the policy. The amount of Life Cover will be reduced by the amount of any Accelerated Specified Serious Illness Cover paid. Full details of the Accelerated Specified Serious Illness Cover are contained in the Policy Conditions booklet.
- If Accelerated Specified Serious Illness Cover is included as part of your policy, a Partial Payment Specified Serious Illness Cover benefit will also apply. This benefit provides a payment, with the exception of Coronary Angioplasty (of specified severity), of €15,000 (or 50% of the Specified Serious Illness Cover if lower) if a Life Assured is diagnosed with one of the partial payment illnesses as defined in the Policy Conditions booklet. In the case of Coronary Angioplasty (of specified severity) the partial payment will be €50,000 (or 50% of the Specified Serious Illness Cover if lower). The payment will be €5,000 for a single angioplasty event and a further €45,000 on an angioplasty to a second artery, subject to the overall maximum payment. If one or more of those illnesses has been excluded from the cover, this will be outlined in the Policy Schedule. No other illnesses are covered. A claim can be made once for each illness covered under this benefit subject to the total amount payable through partial payments not exceeding the amount of your Specified Serious Illness Cover. Full details of the Partial Payment Specified Serious Illness Cover are contained in the Policy Conditions booklet.
- This policy includes a Terminal Illness Benefit which is payable if a Life Assured is diagnosed with a terminal illness and, in the opinion of the attending Consultant and Royal London's Chief Medical Officer, has less than 12 months to live. This benefit will pay the Life Cover Sum Assured at the date of diagnosis and the policy will then cease. Full details of the Terminal Illness Benefit are contained in the Policy Conditions booklet.

- You are committed to make regular monthly or annual payments throughout the term of the policy. However, please see Sections 4.1 – Right of Cancellation and 4.2 – Stopping the Policy.
- Unless you are fully satisfied as to the nature of the commitment, having regard to your needs, resources and circumstances, you should not enter into that commitment.

WARNING

If you propose to take out this policy in complete or partial replacement of an existing policy, please take special care to satisfy yourself that this policy meets your needs. In particular, please make sure that you are aware of the financial consequences of replacing your existing policy. If you are in doubt about this please contact your insurer or insurance intermediary.

1.2 What happens if you want to cash in the Policy early or stop paying premiums?

- As your policy is designed solely to provide protection benefits, there is **no surrender value payable** at any stage under the policy.
- The policy will lapse and all cover under the policy will end immediately if any payment is not received by Royal London within 30 days from the date it was due to be paid. No surrender value will be paid on the lapse of the policy. If a benefit becomes

payable within this 30 day period any outstanding payments will be deducted from the amount paid.

- Where the policy lapses because we have not received a payment, it may be reinstated at the absolute discretion of Royal London, within 12 calendar months from the date the policy lapses, by paying all outstanding payments along with a charge determined by Royal London. The Life/ Lives Assured must also complete a Declaration of Health form. If the information on the Declaration of Health form shows any material change to the information provided to Royal London (or to the medical examiner for Royal London) when cover was originally taken out, we may refuse to reinstate cover or reinstate the cover with an increased premium or with new conditions or exclusions (this could include the removal of options. If Specified Serious Illness Cover applies certain specified serious illnesses may also be excluded from the cover).
- Monthly payments must be paid by Direct Debit.

1.5 Are returns guaranteed and can the premium be reviewed?

The premiums you pay at the start of the policy are guaranteed to provide the level of cover you select and will not be reviewed at any stage by Royal London. The total payment may change if there is a change to the Government levy, or if any additional tax, stamp duty or levy is imposed on your policy in the future.

1.6 Can the policy be cancelled or amended by the insurer?

Your policy is issued on the basis of any statements made to a medical examiner or others working on behalf of Royal London, the application and any related information provided by you or anybody acting on your behalf. Failure to provide full and accurate information to Royal London (or to the medical examiner for Royal London) or failure to continue to disclose all material facts to Royal London until the date that cover commences under the policy may result in the policy being cancelled from inception or any subsequent claim not being paid. A material fact is any fact about your health, smoking or drinking habits, occupation, pastimes, policies with other insurance companies or any other fact that may influence the assessment and acceptance of your application by Royal London. If you are in any doubt about whether certain facts are material, these facts should be disclosed.

If the date of birth of a Life Assured differs from that shown on the policy schedule, the amount payable in the event of a claim may be reduced or the claim may be rejected and the policy cancelled from inception.

1.7 Information on taxation issues

Benefit: Under current law, the benefit payable on death will not be liable to Income Tax or Capital Gains Tax, provided the policy remains in your own beneficial ownership throughout.

Premium: There is no tax relief on the premium(s) paid. A Government Levy is payable on all premiums. The Government Levy is currently 1%, but it may change in the future.

Under current Revenue practice, if a policy is owned by a Company the premiums may be deductible for Corporation Tax in certain circumstances, and the benefit payable on death could be treated as a trading receipt. Companies should seek clarification on the treatment of premiums and benefits from their relevant tax office.
